**ELAW Response:**

ELAW has worked closely with attorneys at the Instituto de Derecho Ambiental, A.C. (IDEA) for 20 years. We know IDEA to be a nonviolent, constructive, effective organization dedicated to protecting the environment and defending human rights, and upholding the rule of law. IDEA's founder is an award-winning attorney and well-respected both domestically and globally.

ELAW trusts IDEA and we reiterate our call for the release of Eduardo Arturo Mosqueda Sánchez. We believe his imprisonment is unjustified and represents a violation of his human rights. We affirm our request that he be released from detention.

Sincerely,

**Bern Johnson**  
Executive Director
