

HomeServe plc

Anti-Slavery Statement

HomeServe fully supports the Modern Slavery Act 2015.

HomeServe is a leading national home assistance business providing services to its Customers via directly employed engineers and a UK based contractor network.

HomeServe is a leading national home assistance business, regulated by the FCA, providing services to its Customers via directly employed engineers and a UK based contractor network.

We carry out thorough due diligence on all of our major supply chain partners and will - for any new major contractor or supplier - take steps to ensure confirmation of their compliance with the Act.

Paul Nourse - Chief Risk Officer
